Beneficios del producto

- 6 SDS plus high-performance drill bits with robust head shape and high-grade carbide tip for a long service life and challenging applications, even in the hardest concrete and granite.
- Optimised spiral shape for fast swarf removal and high power transmission during drilling.
- For use in rotary hammers with SDS plus holder. Suitable for all power tool brands.
- Safety note: Please always wear protective goggles, hearing protection, a dust mask and work gloves when using these materials.
