| SKU | 2608.000.723-000 |
| EAN | 4059952588483    |

## Datos técnicos

|                                           |                                           |
|-------------------------------------------|-------------------------------------------|
| Peso                                      | 0,175                                     |
| Tool dimensions (width x length x height) | 130 x 95 x 110 mm                         |
| Cordless/Corded                           | Cordless                                  |
| Versión larga parte 1 (BE)                | Batería compacta de 12 voltios con 2,0 Ah |
| Versión larga parte 2 (BE)                | Batería compacta de 12 voltios con 2,0 Ah |
| Battery voltage                           | 12.0 V                                    |
| Quantity per pallet                       | 1152                                      |
| Peso neto                                 | 0,210 kg                                  |
| Peso bruto                                | 0,210 kg                                  |
| País de origen                            | Brasil                                    |

## Beneficios del producto

- Compatible since 2005: all of our batteries are compatible with new and existing Bosch Professional tools in the same voltage class.
- Min. 50% more run time compared to existing 1.3 Ah battery by using high quality Li-Ion cells
- This battery is the smallest power tool battery in the market with a capacity of 2.0Ah
